Hello Everyone.

Last fall I sent a Once-In-Always-In letter to the three of you for review (attached for reference). Since the policy has been superseded by a new EPA memo the letter has gone through multiple versions and rewrites since you last reviewed it. Because of that, I am sending you the updated letter for review. Please let me know if you have any comments and/or questions. I appreciate your time.

Also, if I am missing anyone who would need to review the letter can you please let me know?

Thanks,
